

## Requests for financial assistance by voluntary, charitable and not for profit organisations operating within the Parish of Rowington

Rowington Parish Council wishes to continue providing financial assistance to voluntary, charitable and not for profit organisations operating within the Parish of Rowington.

In order to be transparent and accountable, the Parish Council requests that the following procedures are followed:

1. Requests for financial assistance should be made in writing to the Parish Clerk accompanied by the most recent set of financial statements prepared by the requesting organisation. Draft or management accounts are acceptable.
2. The requesting organisation will be expected to attend a full meeting of the Parish Council in order to explain the request for financial assistance and to answer questions.
3. The Parish Council is prepared to consider both one-off requests for support and funding (usually linked to a specific project or need) and also, no more than once each year, a more general request for financial support.
4. Payments can only be made in accordance with the relevant statutory provisions and will be conditional on the requesting organisation providing satisfactory evidence of expenditure within 6 months of any payment being made. Subsequent requests for funding will be subject to further due diligence checks.
5. If funding is approved, it will normally be conditional on the requesting organisation providing at least the same amount of funds from its own resources, as is being provided by Rowington Parish Council.
6. Details of requests received and funding provided will be recorded in the minutes of the Parish Council.
7. Any requests for financial assistance should address the following questions:
  - a. Name of applying group and charity number if applicable
  - b. Full contact details including postal address, email address and phone numbers
  - c. How much money are you asking for? (including VAT if applicable)
