

## **Rowington Parish Council - Community Planting Day**

**Sunday 3 December 2023**

**10.30am**

As part of the Playing Field Project which will be taking place this year, the Parish Council applied to The Woodland Trust for 420 trees to be planted along the fence line at the rear of the Playing Field for approximately 170 metres.

The application was successful, and the saplings will be delivered in November 2023.

A Community Planting Day is being organised for the morning of Sunday 3 December 2023, and it is hoped to encourage as many members of the local community as possible to come along and have fun and fresh air by planting the new hedge.

An opportunity for you to look back in years to come and say, 'I was part of that'.

This will foster a sense of support, ownership and care from the local community to ensure longevity of the saplings and raise awareness of the benefits of trees and hedgerows and how to care for them.

The Parish Council is reaching out for your help for a couple of hours on the day and you are encouraged to put your name forward. Individuals, families and community groups are all welcome.

The event will receive publicity.

If you require further information and wish to put your name forward, please contact, The Parish Clerk, Nicola Everall. 07940 476727 or email [clerk@rowingtonpc.org.uk](mailto:clerk@rowingtonpc.org.uk)
